PART I Concepts

Case Study: The Road to Accountable Care: Building Systems for Population Health Management	1
Introduction	1
Background.....	1
The Road to Accountable Care: Building Systems for Population Health Management	1
Impetus for ACO Formation and Development.....	3
Building a System for Population Health Management	4
Results.....	7
Insights and Lessons Learned.....	9
Questions	11
Note	11
References	11
Acknowledgment.....	13
Chapter 1 A Brief History of the Development of Healthcare in America	15
Important Terms	15
Learning Objectives.....	15
Case Study: The Hill-Burton Act: A Major Landmark.....	16
Introduction.....	16
Before The 1860s.....	17
Germ Theory to The Great War.....	18

Beginnings of Institutionalized Healthcare: From WWI To WWII.....	20
The Post-War Era to The Early 1970s	23
1970s to The Affordable Care Act.....	28
Affordable Care Act to 2018.....	32
Conclusion.....	34
Mini Case Study.....	35
Points to Remember	35
Challenge Yourself.....	36
For Your Consideration	36
References	36
Chapter 2	
Health Policy: Cost, Quality, and Access	39
Improtant Terms	39
Learning Objectives.....	39
Case Study: Strategy Review	40
Introduction.....	41
Federalism: Layers of Government.....	41
Healthcare's Iron Triangle: Cost, Quality, and Access.....	42
Healthcare Costs: Where the Money Comes From	43
Iterative Nature of Public Policy: The Affordable Care Act.....	57
Administrative Policy Making	60
The Policy Formation Network.....	62
Conclusion.....	65
Mini Case Study.....	66
Points To Remember	67
Challenge Yourself.....	67
For Your Consideration	67
References	67
Chapter 3	
The Healthcare System Today.....	72
Improtant Terms	72
Learning Objectives.....	72
Case Study: The Evolving Healthcare System—	
What it Looks Like Today	73
Introduction.....	73
Current Trends	74
Acute Care	75
Ambulatory Care.....	80
Post-Acute Care.....	82
Behavioral Health Care	84
The Healthcare Workforce.....	85

Emerging Models Of Care And Payment	87
Financing of Healthcare	89
Pharmaceutical Industry.....	90
Conclusion	90
Mini Case Study.....	91
Points to Remember.....	92
Challenge Yourself.....	92
For Your Consideration	92
References	93
Chapter 4	
Medical and Healthcare Environments	97
Improtant Terms	97
Learning Objectives.....	97
Case Study: Maryland's Lofr Teams	98
Introduction	99
Categories Of Health Services	100
Social Determinants Of Health	104
Health Service Settings	106
Population Health	110
Conclusion	111
Mini Case Study: CenteringPregnancy: Meeting the Quadruple Aim in Prenatal Care.....	112
Points to Remember	114
Challenge Yourself.....	114
For Your Consideration	114
References	116
PART II	
Interpersonal Skills	
Case Study: St. Luke's Health System: Transformational Leadership	123
Introduction	123
Background and Environment.....	124
Call for Leadership	124
Managing the Process and Pace of Change	125
Selecting and Developing the Executive Team	126
Getting the Message Right	126
New Vision and Direction.....	127
Growing and Integrating the Regional Healthcare System	127
New Strategic Partners to Reflect a Changing World	129
Developing an Integrated Delivery System	130
Recognition of a Job Well Done	132

Discussion Questions	133
Appendix A: The Future of Healthcare: Key Industry Trends.....	134
Appendix B: St. Luke's Health Partners	135
References	136
Chapter 5 Leadership and Managing Change.....	139
Important Terms	139
Learning Objectives.....	139
Case Study: Resisting Change.....	140
Introduction.....	141
Unplanned Change and Planned New Direction.....	141
Evolution of Leadership Theories.....	142
Three Contemporary Concepts of Leadership.....	143
Resistance to Change.....	150
The Leadership Challenge: Applying Kouzes and Posner's Lessons to The Colorado Clinics	152
Similarity of Leadership Models	155
Solidifying the Changes.....	156
Conclusion.....	157
Mini Case Study: Ego and Resistance to Change.....	158
Points to Remember	161
Challenge Yourself.....	161
For Your Consideration	161
References	161
Chapter 6 A Member of the Profession	164
Important Terms	139
Learning Objectives.....	164
Case Study: First Day	165
Introduction.....	166
The Profession	166
Foundations of Scientific Management.....	169
Early Influences on the Development of Management Theory and Research	169
Professionalism.....	174
Diversity Issues.....	176
Conclusion.....	181

Points to Remember	327
Challenge Yourself.....	327
For Your Consideration	327
References	329
Chapter 13	
Strategic Planning And Marketing.....	348
Important Terms	348
Learning Objectives.....	348
Case in Point: Wellbe Hospital: What Should We Do?	349

Introduction.....	351
Mission, Vision, and Values.....	352
Planning Tools and Their Use.....	353
A Closer Look At Wellbe Hospital.....	356
SWOT Applied to Wellbe	357
The Planning Process	360
Strategy Implementation: Moving Forward	366
Planning Summary	367
Marketing	367
Payers	371
The Public	372
Marketing Summary	373
Conclusion.....	373
Mini Case Study.....	374
Points to Remember	375
Challenge Yourself.....	375
For Your Consideration	375
References	376
Chapter 14 Assessing Quality in Health Service Delivery and Management.....	379
Important Terms	379
Learning Objectives.....	379
Case Study: A Longer Than Necessary Hospitalization	380
Introduction: Quality	381
Setting Standards.....	383
Monitoring.....	384
Taking Corrective Action As Needed	387
Process Evalualtion in a Business Setting	388
An Unwelcome Surprise	388
Conclusion.....	392
Mini Case Study: What Disney Can Teach Walter Reed.....	392
Points to Remember	393
Challenge Yourself.....	393
For Your Consideration	394
References	394
Chapter 15 Health Informatics	396
Important Terms	396
Learning Objectives.....	396
Case Study: HIPAA and Memorial Hermann Health System	397
Introduction.....	398

Health Informatics and the Origins of Health Information	
Technology in the US Healthcare Delivery System.....	399
Hit, Meaningful Use, and the Merit-Based Incentive	
Payment System	401
Benefits of Health Information Technology	403
Issues of Concern Regarding Health Information	
Technologies	406
Conclusion.....	407
Mini Case Study: Patient Deception.....	408
Points to Remember	409
Challenge Yourself.....	409
For Your Consideration	410
References	411
Glossary	419
Index	437
About the Authors	439
