Section I Introduction: Problems Addressed Through Healthcare

Regulation 1
 Learning Objectives 1
 Overview of This Book 1
 Conclusion..... 4
 References..... 4

Chapter 1. Background on the US Healthcare System7
 Learning Objectives7
 Background on the US Healthcare Industry.....7
 What Is a State or Federal “Exchange”? 8
 Healthcare Market Characteristics9
 What Is Information Asymmetry?.....9
 Impacts of Tax Status 10
 Conclusion..... 12
 References..... 12

Chapter 2. Overview of Healthcare Regulation and Regulators.....15
 Learning Objectives 15
 Introduction 15
 Background on Federal and State Governments 15
 Federalism..... 16
 Executive Branch Powers and Process 17
 The Role of Private Organizations..... 22
 Regulating During a Global Health Crisis:
 COVID-19 23
 Conclusion..... 23
 References..... 24

Section II Regulation to Contain Costs	25
Learning Objectives	25
Background on Healthcare Costs	25
“Price” Versus “Cost”	27
Conclusion.....	28
References.....	29
Chapter 3. Containing Costs Through Health Planning and	
Certificates of Need	31
Learning Objectives	31
Introduction	31
Brief History of Health Planning.....	31
Supplier-Induced Demand	32
Today’s Certificate-of-Need Landscape.....	33
CON Pros and Cons	34
Conclusion.....	35
Case Study: Certificate of Need: Setting Allowable	
Scope of Services at an Ambulatory Surgical	
Center in a Rural State	35
Case Study: Determination of Need: Expansion of	
Imaging Services at Brigham and Women’s	
Faulkner Hospital in Massachusetts.....	42
References.....	49
Chapter 4. Containing Cost Growth by Setting A Healthcare	
Growth Benchmark.....	53
Learning Objectives	53
Introduction	53
Benchmark Programs	54
Legislation Versus Executive Orders	56
Core Elements of Healthcare Cost Benchmark	
Programs	56
Effectiveness of Healthcare Cost Growth	
Benchmarks	60
Oregon’s Enforcement Scheme	61
Conclusion.....	61
Case Study: Setting a Healthcare Cost Benchmark	
in Washington State.....	61
Case Study: Enforcing a Healthcare Cost Growth	
Benchmark in Massachusetts: Mass General	
Brigham System.....	68

Case Study: Exceeding the Healthcare Cost Growth Benchmark: Mass General Brigham Performance Improvement Plan	74
Bibliography.....	78
References.....	81

Chapter 5. Containing Insurance Premium Growth Through	
Rate Review	85
Learning Objectives	85
Introduction	85
Background on Health Insurance	85
What Are the Ten Essential Health Benefits Defined by the ACA?.....	86
History of Insurance Regulation	87
What Is the McCarran–Ferguson Act, and Why Is It Important?.....	88
The ACA’s Rate Review Requirements.....	89
Today’s Rate-Review Landscape	90
Conclusion.....	91
Case Study: Use of “Affordability Standards” in Premium Rate Review in Rhode Island.....	91
References.....	97
Chapter 6. Cost Containment Through Transparency.....	99
Learning Objectives	99
Introduction	99
Price Transparency	100
Federal Transparency Provisions	100
State Transparency Provisions.....	102
Impact of Price Transparency Laws	103
Conclusion.....	104
Case Study: Hospital Price Transparency: Enforcing Compliance by Northside Hospital Atlanta in Georgia	104
References.....	107

Section III Regulation to Protect Consumers from Anticompetitive

Practices	111
Learning Objectives	111
Background on Antitrust Law	111

	Conclusion.....	117
	References.....	117
Chapter 7.	Ensuring Competition Through Antitrust Review of Proposed Mergers and Acquisitions	121
	Learning Objectives	121
	Overview	121
	Are Mergers and Acquisitions the Same?	122
	What Is a “Prima Facie” Case?	123
	Merger Guidelines.....	124
	Case Study: <i>FTC and State of Idaho v. St. Luke’s Health System, Ltd. and Saltzer Medical Group, P.A.: Proposed Hospital Acquisition of a Large Physician-Group Practice</i>	127
	Case Study: <i>US et al. v. Aetna and Humana:</i> Proposed Merger of Two Insurance Companies.....	138
	References.....	152
Chapter 8.	Ensuring Competition Through Preventing Anticompetitive Contracts and Agreements	155
	Learning Objectives	155
	Overview	155
	Collusive Behavior.....	156
	Exclusionary Behavior	158
	Collusive and Exclusionary Behavior: Group Boycotts	160
	Conclusion.....	161
	Case Study: <i>United States v. DaVita, Inc. and Kent Thiry: A Case Alleging a No-Poaching Conspiracy Among Competing Healthcare Employers</i>	161
	Case Study: <i>United States and the State of North Carolina v. the Charlotte-Mecklenburg Hospital Authority d/b/a Carolinas HealthCare System:</i> A Case Alleging “Anti-steering”	169
	References.....	174
Section IV	Regulation to Protect Patient Access to Health, Safety, and Quality Care	177
	Learning Objectives	177

Introduction	177
Models for Access to Care.....	178
Access to Emergency Services.....	178
Access and Equity	179
Background on Healthcare Quality and Safety	179
Overview of Entities That Regulate Healthcare	
Quality and Safety	181
Medical Malpractice and Standards of Practice	182
Conclusion.....	185
References.....	185
Chapter 9. Protecting Patients Through Regulation of	
Healthcare Professionals and Professional Licensure	189
Learning Objectives	189
Introduction	189
Background and History	189
Physician Certification.....	191
Scope of Practice Issues: Professional Versus Legal	191
Support and Opposition to Expanding Nursing	
Scope of Practice	192
Telehealth: An Emerging Scope of Practice Issue.....	194
Conclusion.....	194
Case Study: Regulation of Teledentistry: Restricting	
Access in Texas During COVID-19	195
Case Study on Scope of Practice Versus Competition:	
Teeth-Whitening Services in North Carolina.....	198
References	203
Chapter 10. Improving Quality of Care Through Regulation	
of Hospital Access, Quality, and Safety.....	207
Learning Objectives	207
Background.....	207
Centers for Medicare & Medicaid Services	209
CMS-Proposed Staffing Ratios for Long-Term-Care	
Nurses	210
The Joint Commission	211
State Oversight	212
Conclusion.....	214
Case Study: Quality of Care for the State’s Most	
Vulnerable: Eleanor Slater Hospital, Rhode	
Island	214

Case Study: Patient Safety and the Hospital Workforce: Mandatory Nurse-to-Patient Ratios in New York	218
References.....	228
Chapter 11. Protecting Patients by Regulating Drug Safety and Efficacy	233
Learning Objectives	233
Background.....	233
FDA Drug Approval Process	235
Conclusion.....	237
Case Study: Balancing Access, Safety, and Cost: FDA Approval of Aduhelm for Alzheimer's Disease	237
What Is a Double-Blind Study?	239
References.....	243
Section V Regulation to Reform The Payment and Delivery System.....	247
Learning Objectives	247
Background.....	247
Payment and Delivery System Reform.....	248
Who's Who at the Centers for Medicare & Medicaid Services?	250
What Are the MIPS Volume Thresholds?	252
Voluntary Versus Mandatory Payment Reform Models?	254
What Is the Medicare Shared Savings Program?	255
Why Develop Multipayer Payment Programs?	256
CMMI Health Equity Goals.....	257
Conclusion.....	258
References.....	259
Chapter 12. Changing Hospital Payments: Hospital Global Budgets.....	263
Learning Objectives	263
Background.....	263
Rationale for Using Hospital Global Budgets	265
Design Issues	266
Effectiveness of Global Budgets.....	267
Conclusion.....	268

Case Study: Setting Hospital Global Budgets in Maryland.....	268
Case Study: Sustaining Rural Hospitals Through the Pennsylvania Rural Health Model.....	274
References.....	278
Chapter 13. Reforming Care Delivery Through Accountable Care Organizations	281
Learning Objectives	281
Background.....	281
Effectiveness of ACOs.....	282
State Regulatory Structures for ACOs.....	283
Conclusion.....	285
Case Study: Moving to Value-Based Payments: Regulation of Accountable Care Organizations in Vermont.....	285
What Are the Health Care Payment Learning & Action Network categories?	289
References.....	292
Section VI Concluding Thoughts and Emerging Issues	295
Artificial Intelligence	296
Telemedicine and Telehealth	297
Health Equity	298
Conclusion.....	298
References.....	299
<i>Appendix A</i>	301
<i>Appendix B</i>	303
<i>Glossary</i>	307
<i>Index</i>	319
<i>About the Authors</i>	321
