

# DETAILED CONTENTS

<b>Preface .....</b>	<b>xv</b>
----------------------	-----------

<b>Chapter 1 The History of US Healthcare and the Demographics of Disease.....</b>	<b>1</b>
The History of the US Healthcare System .....	2
The “Iron Triangle” of Healthcare .....	6
Aging and Chronic Disease.....	10
Diversity and Healthcare.....	11
Healthcare Cost Variations .....	13
Life Expectancy, Lifestyle, and Chronic Disease .....	15
New Diseases .....	16
Summary .....	18
Questions .....	19
Assignments.....	20
Cases.....	20
References.....	22
<b>Chapter 2 Healthcare Professions.....</b>	<b>30</b>
Clinical Care Positions.....	31
Administrative Positions .....	44
Summary .....	48
Questions .....	49

Assignments.....	49
Cases.....	50
References.....	51
<b>Chapter 3 Hospitals and Healthcare Systems .....</b>	<b>57</b>
Levels of Care .....	58
Types of Care.....	60
Types of Hospitals.....	61
Hospital Competition.....	69
Organization and Leadership of Hospitals .....	70
Outpatient Versus Inpatient Care.....	71
The Future of Hospitals .....	74
Summary .....	75
Questions .....	77
Assignments.....	77
Cases.....	78
References.....	79
<b>Chapter 4 The Pharmaceutical and Medical Device Industries.....</b>	<b>85</b>
Pharmaceutical Industry .....	86
Clinical Trials.....	95
Over-the-Counter Drugs .....	97
Medical Device Industry .....	97
Summary .....	100
Questions .....	101
Assignments.....	102
Cases.....	102
References.....	103
<b>Chapter 5 Long-Term Care.....</b>	<b>110</b>
A Historical Look at Long-Term Care.....	111
Long-Term Care Today.....	114
Long-Term Care Settings .....	115
Unpaid Caregivers .....	118
The Formal Long-Term Care Workforce .....	120
Paying for Long-Term Care.....	122
Quality of Long-Term Care .....	126
Elder Abuse .....	128
The Future of Long-Term Care .....	129
Summary .....	131
Questions .....	132

Assignments.....	132
Cases.....	133
References.....	134
<b>Chapter 6 Mental Health</b> .....	141
The History of Mental Health Care .....	142
Types of Mental Health Providers .....	146
Ownership of Mental Health Facilities.....	147
Mental Health Treatment Settings.....	147
Substance Abuse and Mental Illness .....	151
Challenges in Mental Health Care .....	152
Summary .....	155
Questions .....	156
Assignments.....	156
Cases.....	157
References.....	158
<b>Chapter 7 Government Involvement in US Healthcare</b> .....	165
Regulation .....	166
Licensure .....	167
Government as a Purchaser of Healthcare .....	170
Government as a Provider of Healthcare .....	177
Government-Sponsored Health Services Research and Training .....	180
Major Legislation.....	182
The Contested Role of Government in Healthcare.....	183
Summary .....	184
Questions .....	185
Assignments.....	186
Cases.....	186
References.....	187

Common Types of Health Insurance Networks.....	237
The Future of Health Insurance .....	239
Summary .....	242
Questions .....	244
Assignments.....	244
Cases.....	245
References.....	246
 <b>Chapter 10 The Quality of US Healthcare</b> .....	 256
Defining Quality .....	257
The Iron Triangle .....	261
Initiatives to Improve Healthcare Quality .....	263
Medical and Surgical Errors .....	265
Accrediting Organizations.....	267
Sentinel Events .....	268
Quality Improvement Tools .....	270
Value-Based Care .....	276
Inequalities and Quality.....	277
Summary .....	278

---

Questions .....	279
Assignments.....	280
Cases.....	280
References.....	282
<b>Chapter 11 Health Information Technology.....</b>	<b>289</b>
Electronic Health Records.....	290
HIPAA and Interoperability.....	294
Cloud Computing and Big Data.....	295
Telemedicine.....	296
mHealth .....	297
Mobile App Technology.....	299
Secondary Use of Health Information.....	300
The Future of Health Information Technology.....	301
Summary .....	302
Questions .....	303
Assignments.....	304
Cases.....	304
References.....	305
<b>Chapter 12 Population Health .....</b>	<b>311</b>
What Is Population Health? .....	312
Determinants of Health .....	313
Health Disparities .....	315
Population Health Management .....	318
Healthcare's Role in Population Health.....	325
Summary .....	328
Questions .....	329
Assignments.....	329
Cases.....	330
References.....	331
<b>Chapter 13 The US Healthcare System in Comparison with</b>	
<b>Other Countries .....</b>	<b>339</b>
Types of Healthcare Systems .....	340
Comparison of Healthcare Systems.....	342
Innovative Approaches to Lower Costs and Improve Care.....	354
Efficiency of Healthcare Systems .....	355
Common Problems in All Healthcare Systems .....	355
Summary .....	357
Questions .....	358

Assignments.....	358
Cases.....	359
References.....	360
<b>Chapter 14 The Future of Healthcare in the United States .....</b>	<b>366</b>
Focus on Prevention Versus Treatment.....	367
Is Healthcare a Right or a Privilege? .....	368
The Impact of Healthcare Costs .....	369
Waste in Healthcare .....	370
Healthcare Costs and Outcomes Compared with Other Countries .....	371
The Challenge of Substance Abuse .....	372
Fragmented Delivery of Healthcare.....	373
Expansion of Healthcare Competition to Tech Companies .....	375
Integrating Social Determinants of Health.....	376
Health Disparities .....	377
Aging and Chronic Conditions.....	377
Lack of Transparency and Variation of Prices .....	378
New Technology .....	380
Summary .....	381
Questions .....	382
Assignments.....	383
Cases.....	383
References.....	384
 <b>Glossary .....</b>	 <b>393</b>
<b>Index .....</b>	<b>403</b>
<b>About the Authors .....</b>	<b>1</b>
